Degree

Bachelor of Science in Environmental Engineering

Course Catalog

Advising Information

https://cee.fiu.edu/current-students/undergraduate-advising/

Admission Requirements

- Completion of Associate in Arts (AA) degree
- Cumulative Transfer GPA: 2.0
- To be fully admitted to the program, students must be Calculus I ready (have completed MAC 1114 + MAC 1140 or MAC 1147, with a grades of C OR better in each course).

Special Notes

- It is highly recommended that you complete all of your math and science prerequisites before transferring to FIU.
- Engineering students should take math and science courses every term at BC in order to make efficient progress towards the degree. Delaying math and science courses effectively delays graduation as such courses are prerequisites for upper level engineering coursework at FIU.
