Admission Requirements
- Completion of Associate in Arts (AA) degree
- Cumulative Transfer GPA: 2.0
- All prerequisites completed with a grade of C or better.

Special Notes
- Students should strive to take math and science courses every term at MDC in order to make efficient progress towards the degree. Delaying math and science effectively delays graduation as such courses are prerequisites for upper level engineering coursework at FIU.
- Transfer students must be Calculus I (MAC 2311) ready (grade of C or better in MAC 1140 + MAC 1114 or MAC 1147) prior to full admission to this program.
