Course Catalog

Admission Requirements

- Completion of Associate in Arts (AA) degree
- Completion of all prerequisites with grade of C or higher
- Cumulative Transfer GPA: 2.0 or higher

Special Notes

- MAC 1105 (College Algebra) is not required for this program. Select MGF or STA courses that satisfy the AA. If MGF or STA courses are included in the table(s) below, select those.
- The strongly recommended course below (ISS 1301) deepens discipline knowledge and provides a strong foundation for the upper division research sequence. We encourage students to take the course (as an elective) prior to completing the AA. The course transfers to FIU as a lower division elective.
