Admission Requirements

- Completion of Associate in Arts (AA) degree
- Cumulative Transfer GPA: 2.0
- All prerequisites completed with a grade of C or better

Special Notes

- Students pursuing this degree to enter graduate or professional school (medical, pharmacy, etc.) are strongly advised to complete MAC 2311 (Calculus I) before transferring, or at minimum, complete the MAC 2311 prerequisites, MAC 1140 + MAC 1114 **OR** MAC 1147. Calculus I is more aligned with graduate and professional education goals, and completing the course prior to transferring ensures a smoother educational path toward degree completion. The other calculus option, MAC 2233 (Business Calculus), requires College Algebra (MAC 1105) as a prerequisite.
- Students should enroll in math and science courses every term at PBSC in order to make satisfactory progress toward degree requirements.
