Admission Requirements

- Completion of Associate in Arts (AA) degree
- Cumulative Transfer GPA: 2.0
- All prerequisites completed with a grade of C or better
- To be fully admitted to the program, students must be Calculus I ready (have completed MAC 1114 + MAC 1140 OR MAC 1147, with grades of C or better in each course).

Special Notes

- Students should take math and science courses every term at PBSC in order to make efficient progress towards the degree. Delaying math or science effectively delays graduation as such courses are prerequisites for upper level engineering coursework at FIU.
