Special Notes

- In addition to EDF 2085, a minimum of 6 credits with an international or diversity focus is required. Foreign language credits and courses identified as cross-cultural at PBSC satisfy this requirement. Consult with your BC advisor for more information.
- A total of 51 general education credits is required. This total includes the 36 hours defined as Gen. Ed. for the AA degree. So students need 15 additional General Education credits for the program; these can count as electives towards your AA degree. Recommended areas of general education include one additional course in English (3cr), mathematics (3cr), humanities (3cr), natural sciences (3cr) and social sciences (3cr). EEC courses will not count towards the general education requirement.
- MAC 1105 - College Algebra is not required for this major. Choose from MGF 1106, MGF 1107, STA 2023 to satisfy the AA Math requirement.
