2023-2024 Palm Beach State College Transfer Guide

Degree

[Bachelor of Arts in Natural and Applied Sciences](#)
[Course Catalog](#)

Admission Requirements

- Completion of Associate in Arts (AA) degree
- Cumulative Transfer GPA: 2.0 or higher

Special Notes

- There are no prerequisites for this program; it is designed for students who have an interest and aptitude in STEM disciplines, but who would like to expand their studies in other areas as a foundation for an interdisciplinary career, such as in health advocacy, research, and analytics. It is also designed for students planning to continue their studies in a graduate or professional program. Students work closely with academic advisors post transfer to select courses that align with their academic and career goals.
- The Natural and Applied Sciences **Medical Sciences major** is available to students wanting to complete prerequisites for medical school or other health related professions/careers. This major serves **only** as a complement to the student's primary major, it is **not** a stand alone option.
